## Personal Information :

Born March 11, 1978 in Bozen (Italy)  
Nationality Italian

## Academic and professional qualifications:

**Since 01.01.2017** **Vice Director**, Department of Vascular and Endovascular Surgery, University of Düsseldorf (Prof. Schelzig)

**10.12.2015** **Ph.D. thesis** „Long term data of endovascular therapy of different aortic pathologies“, University of Düsseldorf (Prof. Schelzig)

**Since 01.01.2014** **Senior Consultant** of Vascular Surgery, Department of Vascular and Endovascular Surgery, University of Düsseldorf (Prof. Schelzig)

**2.2012 -12.2013** **Consultant** of Vascular Surgery, Department of Vascular and Endovascular Surgery, University of Düsseldorf (Prof. Schelzig)

**September 2010** **Consultant** of Vascular surgery, University of Ulm (Prof. Orend)

**2004 -2010** **Registrar/fellow** of surgery (Prof. Rupprecht, Saalfeld, Germany) and vascular surgery (Prof. Hutschenreiter, Saalfeld and Prof. Sunder-Plassmann/Prof. Orend - University of Ulm)

**Jan. 2003** **M.D. - thesis** „Impact of antiproliferative agents rapamycin and C-type natriuretic peptide on neointimal remodelling in the vein graft model of the mouse. Prof. Bonatti, Cardiac surgery, University of Innsbruck, Austria

**1997 - 2003** Study of medicine - University of Innsbruck, Austria

**1984 - 1997** Basic education and high school “Realgymnasium Bruneck”, Italy

## Research interest:

- Acute traumatic aortic dissection/rupture
- Chest trauma
- Ischemia-reperfusion
- Endovascular treatment of aortic pathologies
- Influences on wound healing
- Remodelling of the aortic wall after open or endovascular repair
- Critical limb ischemia
- Graft infections

## Prizes, awards:

- 2013**            **Research Award** of the German Society of Vascular Surgery
- 2009**            **Award for Aortic Research** of the German Society of Vascular Surgery
- 2009**            **René-van-Dongen poster** award of the German Society of Vascular Surgery
- 2002**            **MD thesis award** of the Hans und Blanca Moser foundation

## Additional Training:

- 2009**            **Sclerotherapie (Austrian Society of Phlebology and dermatologic Angiology)**
- 2006**            **Emergency medicine**
- 1999 - 2003** **Undergraduate teaching assistant** in the Institute of Anatomy, University of Innsbruck, Austria

## Memberships:

- Since 2009**    **ESVS** (European Society for Vascular Surgery)
- Since 2008**    **DGG** (Deutsche Gesellschaft für Gefäßchirurgie)
- Since 2012**    **DEGUM** (Deutsche Gesellschaft für Ultraschall in der Medizin)
- Since 2012**    **EFSUMB** (European Federation of Societies for Ultrasound in Medicine and Biology)
- Since 2013**    **SVS** (Society for Vascular Surgery); German chapter

## Reviewer:

- Since 2011**    Journal of Endovascular Therapy
- Since 2011**    Journal of Cardiovascular Surgery
- Since 2013**    Minerva Chirurgica
- Since 2014**    Der Unfallchirurg
- Since 2014**    Cardiovascular and Interventional Radiology
- Since 2014**    Clinical Journal of the American Society of Nephrology
- Since 2014**    Cell Death and Disease
- Since 2016**    Scientific Reports
- Since 2017**    Annals of Vascular Surgery
